1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every student has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE’s statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Student Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- This policy also refers to the DfE’s guidance on the [school census](#), which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

3.2 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual students
- Issuing fixed-penalty notices, where necessary

3.3 The Senior Leader Responsible for Attendance

The senior leader responsible for attendance:

- Monitors attendance data across the school and at an individual student level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

3.4 Class Tutor

Class Tutors are responsible for checking attendance on a daily basis and passing this information to the school office.

3.5 School Admin Staff

School admin staff are expected to take calls from parents about absence and record it on the school system. They also enter daily attendance data onto the school register using approved attendance codes.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all students onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Students must arrive in school by 09:00 on each school day.

The register for the first session will be taken at 09:30 and will be kept open until 10:00. The register for the second session will be taken at 13:25 and will be kept open until 13:40.

4.2 Unplanned absence

The student's parent/carer must notify the school on the first day of an unplanned absence as soon as practically possible (see also section 7).

Parents/carers should contact the class tutor OR school office in the first instance.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the student's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school in advance of the appointment.

Parents/carers should contact the class tutor OR school office in the first instance.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Class tutors/school admin staff will monitor persistent lateness and share this with the Senior Leadership Team.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by phone calls.
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not
- Identify the correct attendance code to use

4.6 Reporting to parents

Students attendance data is shared with parents in the termly school reports. It is also shared during EHCP, LAC and other meetings with parents/professionals.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to students during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the student is attending educational provision
- Other specific reasons link to the Special Educational Needs of the students that attend New Forest School (by agreement with the Headteacher/Parents/Local Authority/Social Worker).

5.2 Reducing persistent absence

The school monitors closely any persistent absence. Where the school has concerns over persistent absence, we will use a number of options to support students/parents/carers and improve attendance:

- Early communication: phone calls/emails to parents/carers to identify potential issues.
- Planning meetings with parents/carers, pastoral team, SENCO, Senior Leaders as required.
- Home visits by class tutor/pastoral staff
- Changes to transport arrangements to encourage attendance
- Notifying the local authority (SEN/Social Care) and seeking support.

5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

New Forest School utilises a number of strategies for promoting attendance such as certificates, rewards, letters home.

7. Attendance monitoring

The Senior Leader responsible for attendance at our school monitors student absence on a weekly basis.

A student's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

If a student's absence goes above 3 days, the school will contact the parent/carer of the student to discuss the reasons for this.

If a student's absence continue to rise after contacting their parent/carer, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a student's individual overall absence rate is greater than or equal to 10%, the student will be classified as a persistent absentee.

Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Attendance data for individual students is held on the school MIS (NFS tracker) and up to date data displayed in a range of formats for easy monitoring.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum yearly by the Headteacher. At every review, the policy will be shared with the full governing board.

This policy links to the following policies:
