

New Forest School KS2 News Letter

Autumn Issue 1

Welcome Back!

I hope you have all had a lovely summer and had some time to relax!

Each year brings positive change, this includes a few new additions to our staff team, whom we are delighted to have on board. My staff team and I are pleased to welcome you back and look forward to working with you and your children. As always, if you have any concerns or questions, please contact a member of the KS2 team or myself. Together, we will make this another year of growth and achievement for all our children.

Warmest regards,

Jean Gammon Head of KS2.

Autumn Term : Curriculum

Around 5000 years ago the Ancient Egyptians established an extraordinary and enduring civilisation.

In Autumn 2021, Key Stage 2 shall be delving into their mysterious world. Knowledge surrounding the clever culture and innovations of the Ancient Egyptians shall be unravelled from inside the tombs and our respects paid to mummified Kings, by creating a death mask in Art and Design. In English, we focus on narrative reading and writing, where wild, whacky, and wonderful stories shall be scribed - inspired by 'Ma'at's Feather', a tale of ambition and adventure, set on the banks of the River Nile. Through PSHE, our appreciation of the positive growth mind-sets of the Pharaohs will be embraced, enabling us to overcome great challenge, take positive risks, persist and manage constructive feedback. To better understand the everyday life of the Ancient Egyptians, we shall be exploring 'Gifts of the River Nile,' Farming, fossils, rocks and soils., and of course uncovering the secrets of their Great pyramids...
